Description

All-in-one folding multifunctional holder, made of durable white ABS. Adjustable in height and angle for an optimal view of the smartphone screen. Integrated 10W wireless charger and 5,000 mAh battery, with Type-C input/output, micro USB input and two USB outputs. Compatible with wireless charging mobile devices, included Type-C charger cable. The capacities shown in all our external auxiliary batteries are real, all of them incorporating non-recycled, grade A batteries, with a service life of at least 500 charging cycles, and complying with CE regulations. In addition, they are manufactured according RoHS standards, and in compliance with the following safety requirements: Power bank overcharge protection system. Complete discharge protection system, which increases the durability of the power bank. Blocking system to prevent short circuits. Constant charging transfer system, in accordance with the capacity of the target device.
