Description

Double sided sandbag throwing and tic-tac-toe game. This game, commonly known as Cornhole, has its origin in North America. It is mostly played outdoors, but can be played inside if there is enough space. The board is slightly slanted and has a hole in it. The goal is to throw the small bags into this hole from a distance. Each time it goes in, you score points. The person with the most points at the end or the first one to reach a specific amount of points, wins. Flip the board around to play a classic game of tic-tac-toe. Includes MDF board and 8 throw bags. FSC®-certified
