Description

Roller Parker IM Achromatic, made of stainless steel with a matte black lacquered finish and black ink. It features black accents and the unmistakable clip with the brand's iconic arrow-shaped tip on the cap. It has an elegant, refined design with proven effectiveness, complemented by a modern silhouette. Presented in a black individual case with the Parker logo.. Parker IM is the entry-level range into the Parker universe, crafted with attention to every detail and designed for daily intensive use. It uses Parker Quink ink, which provides smooth and reliable writing on paper.
