Description

Dipster is a portable speaker with IPX 7 waterproof protection and a built-in handle made from recycled ABS plastic. The Dipster features a built in microphone and removable grille and plate for easy customisation with full colour digital prints. The 1800mAh battery provides 10 hours of play time and a deep bass rumbles through its 5W might. The TWC system allows connection between speakers. Charges in 2.5 hours with USB-C input. Individually packaged in a premium kraft box.
