Description

The Frost Down Jacket is a lightweight, packable layer designed to deliver reliable warmth without adding bulk. A proven bestseller for over a decade, it can be worn on its own or layered under a shell for added insulation.Made from lightweight polyamide and filled with premium 90/10 duck down and feather insulation, it provides exceptional warmth while remaining highly packable. Elasticated cuffs, zipped pockets and a close-fitting hood help lock in warmth and protect against the cold.Ideal for low- to mid-intensity activities, it’s a versatile layer for cool, dry conditions and an essential addition to any outdoor kit.
