Description

The Crew Midlayer Jacket just got better. This classic, cult-favorite jacket now features some improvements, but don’t be afraid as the iconic look remains clear: it’s The Crew. Based on feedback from professional sailors, we’ve removed the plastic placard in the back yoke, but retained the hangar loop. We’ve adjusted the pocket placement and added PrimaLoft® insulation at the shoulders for a smoother and warmer feel, even when the rain comes down. The all-purpose Crew is waterproof/breathable, windproof and warm, thanks to its HELLY TECH® Protection technology – plus fleece lining. We enhanced it with smart sailing features: sealed seams, a high fleece-lined collar, adjustable hem and cuffs and dual zippered hand pockets and a hangar loop. A favorite with sailing teams, it features a “secret” zipper inside the jacket that makes it embroider-friendly, so your crew has its own look.
