Description

The Hunter Original Chelsea Boot has been re-engineered for an improved fit and all-day comfort. A wider ankle circumference, and an increased curve in the heel and around the Achilles tendon delivers an even more comfortable fit. The new and improved Hunter Original Chelsea Boot has an even more optimum fit to maximise all-day comfort. Ready for rain, each boot is handcrafted from natural rubber and vulcanised for superior protection. Retaining the iconic features of a traditional Chelsea, it features elasticated-gussets and has a nylon pull-tab to make stepping into the boot easy. In a classic brown matte, these waterproof Chelsea's are a wet weather wardrobe essential.
