Description

Because you love it so much, our popular Janice Mid Layer is back in our beloved light mid fabric and featuring new colors this season. From the J.Lindeberg chest embroidery and the inserted Bridge logo at the back to the contrast line that goes from cuff to chest to the opposite cuff, this look features mouthwatering fashion details. What’s more, it is built for comfort with side and shoulder seams specially situated to allow greater freedom of movement, fast-drying and moisture-wicking fabric, and a brushed interior.
