Description

Reach for the Transporter Wheeled Duffel 60 when your cargo is too heavy for a standard duffel. This workhorse gear hauler is built on our rugged HighRoad chassis with oversized wheels to conquer cobblestones and cracked concrete with ease. This mid-sized bag is perfect for weeklong adventures or gear-intensive weekends. The zippered mesh compartment on the lid keeps essentials close at hand while the dual-sided TPU coating and oversized top flap keep the elements at bay. This bag is sustainably made from bluesign approved recycled materials with a PFC-free DWR treatment that sheds moisture.
