Description

15W wireless charger, made in a combination of RABS and recycled leather. Compatible with devices equipped with Qi wireless charging technology. With non-slip base, including Type C charger cable and instruction manual in English and Spanish. RABS or Recycled ABS material and recycled leather come from the recycling of items at the end of their lifespan. The recycled materials used include RCS certification, which guarantees their recycled origin. Manufactured according to RoHS standards and in compliance with the following safety requirements: Overheating protection system. Over-charge protection system. Blocking system to prevent short circuits.
