Description

Made with 100% GRS-certified recycled fabrics, the Dryrobe® Advance is the original weatherproof changing robe, trusted by cold-water enthusiasts, athletes and outdoor adventurers worldwide.Its durable waterproof outer and super-warm fleece lining protect you from the elements, while the oversized design gives you plenty of space to change in and out of wetsuits, swimwear or sports kit. The quick-drying fleece lining can be used over wet kit multiple times throughout the day without needing to dry between uses.The long-sleeved design provides extra warmth, making it ideal for colder climates, early mornings and chilly evenings. Built for any weather and every adventure, the Dryrobe® Advance is an essential piece of outdoor kit.
