Description

An innovative daypack designed for nature trails and everyday journeys. Designed to efficiently carry your load while providing easy access to everything you've packed. The main fabric is made from durable 100% recycled material. A sturdy box construction helps the backpack maintain its distinctive shape, regardless of its contents. The large side-panel opening provides a clear overview of your gear, while a range of handy pockets and attachment points makes it easy to reach whatever you need along the way.
