Description

Ready for hiking, travel, or everyday wear, this jacket features a protective 3-layer softshell laminate with added 4-way stretch and a smooth backer (made from 88% recycled polyester and 12% wool) for top-tier comfort. The fabric protects you from the wind, while the DWR treatment provides light water repellence. Two hand pockets, an adjustable hood, and an easy-repair hem adjustment make this jacket a reliable staple. Our design approach maximises performance with fewer resources, creating more environmentally conscious products for demanding conditions. The Corporate SO Hooded Jacket is a trusty softshell that offers protection from wind and weather all year round.
