Description

The Helium Hooded Down Jacket features an iconic quilted design and has been a bestseller for over a decade. Extremely lightweight and packable, it combines a wind- and water-repellent shell with premium 90/10 down insulation for reliable warmth without the bulk.Designed to be worn as an outer layer or under a shell for added insulation, it’s ideal for low- to mid-intensity outdoor activities in dry conditions. The responsibly sourced down is fully traceable through the Track My Down® programme, providing confidence in its sourcing from origin to finished product.
