Description

Wireless, multifunctional and multi-output travel adapter with integrated powerbank of 10,000 mAh charging capacity. Elegant white design with large branding surface. Wireless charging function with magsafe technology, with dual Type C input/output, and USB outputs. Two integrated output cables with Type C and Lightning. Simultaneous use for all functions, with wall plug adapters for USA, Europe, Asia, UK and Australia. The capacities shown in all our external auxiliary batteries are real, all of them incorporating non-recycled, grade A batteries, with a service life of at least 500 charging cycles, and complying with CE regulations. In addition, they are manufactured according RoHS standards, and in compliance with the following safety requirements: Power bank overcharge protection system. Complete discharge protection system, which increases the durability of the power bank. Blocking system to prevent short circuits. Constant charging transfer system, in accordance with the capacity of the target device.
