Description

Mixing cup made of resistant borosilicate glass, 400ml capacity. Includes a lid with an electric stirrer powered by 2 AAA batteries (not included) and an on/off button on the top. Features a special compartment in the handle for storing the stirrer, made from wood-like ABS. It has a measurement scale printed on the white body. Made of borosilicate glass, offering an exceptional resistance and durability, extending its life span and being reused many times.
