Description

Elegant backpack in 600D polyester with three compartments. With RFID protection system, designed to block unauthorized access. It works by means of an electromagnetic field that interferes with the reading signals, protecting the cards. The main zippered compartment has a padded pocket for storing laptops up to 15" and another for Tablets. It features 1 front pocket and a second compartment with different size pockets with different storage options. It consists of 2 additional side pockets for more space and the straps are padded and adjustable. It has a handle for easy transport and a rear strap for trolley. It features a removable keychain hanger and RFID badge tag.
