Description

Double-walled thermal drum with copper vacuum insulation, with a capacity of 480 ml. Made of recycled stainless steel, exterior with silver mirror optics. Beanie with airtight closure and accessories in black color, with metallic finish carabiner and braided polyester strap. Non-slip silicone base. BPA-free. It maintains the temperature of hot drinks for up to 12 hours and cold drinks for up to 48 hours. A premium product that combines design and careful presentation to convey an image and an unmistakable value.
