Description

PU wallet card holder with RFID protection that blocks unauthorized access. Its compact design integrates wallet, purse and multiple compartments for convenient content organization. It has a total of 6 compartments, 4 internal compartments for cards and documents, as well as an upper compartment for bills and an external coin pouch with zipper. It features an aluminum card holder with a push-button card ejection system, space for up to 8 cards, and stepped distance for more convenient access. It has a magnetic closure and black finishes.
