Description

Travel organizer case made of PU, designed to keep cards, documents and small accessories perfectly organized and protected. It has an RFID protection system designed to block unauthorized access to contactless cards. It features a main compartment with a zipper and a metal puller. The interior is divided into two organizational areas: one with 14 compartments for cards, a pocket with a transparent window and an additional pocket with zipper; and another with several compartments of different sizes, a mesh pocket and an elastic band to store small accessories. Outer handle with metal carabiner that makes it easy to transport and use. Includes an RFID badge on the front.
