Description

Travel backpack made from PU. Features two spacious main compartments with concealed zip closures and metal pullers. The large-capacity main compartment opens fully to 180°, providing easy access and efficient luggage organisation. Inside, it includes a zipped mesh compartment, ideal for clothing, along with multiple organiser pockets for accessories, documents and personal belongings. It also features a padded laptop compartment for devices up to 15", complete with a secure hook-and-loop fastening strap for added protection. Storage is further enhanced with two padded front pockets featuring concealed zips, an expandable side pocket for a bottle or other essentials, and four adjustable side compression straps with buckles to keep the contents secure and stable during transport. The backpack is finished with a padded breathable mesh back panel, adjustable padded shoulder straps and a clip-fastening chest strap for greater comfort and support. It also includes a trolley sleeve and two carry handles-one on the top and one padded side handle-for convenient carrying in different positions. An ideal backpack for travel and everyday use, thoughtfully designed to combine style with functionality.
