Description

Backpack made of 300D RPET polyester. Designed for daily and professional use, it has a padded compartment for laptops up to 15" with Velcro straps for better protection during transport. It has three main compartments with zippers and metal pullers with drawstrings. The main compartment offers ample storage space, while additional compartments make it easy to organize documents, accessories, and personal items. The front and middle compartments have zippered covers for better protection and a more careful finish. It features a front pocket with a vertical zipper, side pockets made of elastic mesh and a rear strap to attach to the trolley, making it easy to use during rides and shifts. The design is completed with adjustable straps and a top handle. Includes the RPET badge.
